

Nursery Newsletter HT3

Welcome back to Nursery!

We hope you have all had a wonderful Christmas holiday and a Happy New Year. Please encourage children to share their news with staff and tell us what they got up to in the Christmas holiday. Our topic this term is 'Its' Alive'. We will be retelling familiar stories, naming and counting animals and talking about size.

Reminders

- We are a water-only school. No juice or flavoured water please.
- No nuts are allowed in packed lunches.
- Label your child's belongings.
- If your child is due to start Reception in 2025 remember you need to apply for a place.
- Leave a change of clothes in school in case of accidents.
- Inform us if your child will be absent from Nursery. If your child does not attend regularly they risk losing their place.

Bookbags

Bookbags need returning every **WEDNESDAY**, they will **only be changed on this day**.

The children will have the opportunity to take home a library book each week in their bags.

Homework

As last half term a homework grid will be going home on the first week back in book bags. You can then tick them off like Bingo as you complete each activity! Children only need to complete 1 a week.

Outdoor Provision

Children have access to outdoor provision every day. Please make sure they are dressed appropriately. A warm coat with their name in. Practise putting hats, coats and gloves on. Footwear needs to be appropriate for the weather.

When you bring your child into Nursery please remember to encourage children to treat the toys with respect as some have been broken before we have opened our doors.
