

Nursery Newsletter Summer 1

HT5 Topic

This half term our topic is **'Buckle Up'**. We will initially be focusing on all things 'Transport', using the books 'The Train Ride' and 'Jake's First Day' and a number of non-fiction books too. The children will be learning facts, retelling stories, getting involved in lots of 'Transport' and 'Pirate' crafts. We will also be learning about the signs of Spring and the farm coming to visit bringing animals for the children to touch and learn about.

Homework

This half term the children will be given a sheet of activities in their book bag which you will be able to cross off (one a week). The activities will be very practical hands on activities, ranging from maths, topic and crafts. These are to be completed at home and you will be able to send evidence on Dojo if you wish.

Baking/Making

The children have the opportunity to make snack on a daily basis, and most Wednesdays we will also bake or cook something. We will also make bird feeders this half term to hang in our outdoor areas. To make this happen, we would really appreciate any donations you may have. If you would like to donate a small amount of money to go towards this we will leave a Piggy bank as you come in.

Farm Visit

24th April

£4 via parent pay. You can also give permission via parent pay. If your child does not usually attend Nursery on a Thursday you can bring them at 2pm to come and see the animals, you will need to pay £4 before you visit.

School Places

If your child is due to start school in September 25, you should now know if they have a place. You need to speak to the school office to accept the place offered. We feel that a lot of the children in our Nursery are becoming more and more independent, ready for school, which we are really proud of. Nursery children do occasionally go into Reception to visit but you will get details of a half day visit before we finish in July. We would love it if you could continue to support children at home by promoting independence in getting themselves dressed and going to the toilet; writing letters in their name; counting for fun, forwards and backwards; speaking in full sentences and modelling sentences to them to copy back to you.

**Thank you from The Nursery Team:
Mrs Knights, Mrs Peacock,
Mrs Nelson and Mrs Patterson**
