Competition Code of Conduct for Staff in Charge of Teams / Players

- Teams must always have a lead teacher / coach / adult as designated by the Head Teacher. Schools should have their own risk assessments and first aid protocols in place and follow appropriate adult : child ratios.
- Before the event, the lead adult should familiarise themselves with the event rules, format and procedures / risk assessment and then pass on this information to all their pupils, colleagues and spectators.
- School staff are responsible for ensuring their pupils, colleagues and spectators follow the competition rules and always display the highest standards of sporting conduct.
- School staff should work with event staff and immediately report any concerns so concerns can be addressed.

Competition Code of Conduct for Spectators.

- Encourage athletes to learn the rules and competition procedures and always to participate within them.
- Never challenge or argue with officials.
- Spectators to view from the designated area and follow the health and safety and photographic procedures as outlined in the event introduction.
- Help athletes to recognise good performance, not just results and to show respect to teammates, opponents and officials at all times.
- Set a good example by recognising good sportsmanship and applauding the good performances of all.
