

Unit E.1 Which places are special to members of our community?

Prior learning

In nursery and pre-school settings, children will have begun to make sense of their own life story and family history.

They will have been developing positive attitudes about the differences between people.

Children will be able to talk about what they see, extending their vocabulary.

Key Questions

What makes a place special?

Where are special places for me at home, school or in my community?

Which places are special for Christians? Why?

Which places are special for Muslims? Why?

Which places are special for Hindus? Why?

Which places are special for Sikhs? Why?

How are special places the same or different?

Transferable Question

What do think a religion is?

Key Learning

Special places can make people feel excited or calm.

Special places can be outside in nature or in a building. People can go there alone or with their family / friends.

People of different religions go to places of worship to pray or give thanks.

A church is a special place for Christians.

A mosque is a special place for Muslims.

A mandir is a special place for Hindus.

A gurdwara is a special place for Sikhs.

Different places of worship have some things the same such as special symbols, windows, towers or domes.

Special places can have special objects inside like books, patterns and statues.
