

Subject: **Action Required: Register for School Photo Day**

Dear Parent/Guardian,

We're excited to announce that Fizz Photography will be capturing our school's photographs on 23/10/2024. To streamline the process and ensure secure access to your child's photos, there is an easy online registration system.

You must register **BEFORE** school photo day, so please register **NOW** by following these three simple steps:

1. Visit <https://order.fizz-photography.co.uk> on your phone, tablet or computer
2. Enter code: JR9SMEGA4G
3. Enter your child's name, as it appears on the school register, and your contact details

You must register **BEFORE** the day of the photo shoot. Once registered, you'll be notified when photos are available for viewing and ordering, directly receiving your child's photo(s) via email/SMS. You can view and order photos with ease, from anywhere.

Your details are used solely for sharing your child's personal gallery securely with you, and you can learn more about Fizz Photography's data protection practices here: <https://order.fizz-photography.co.uk/privacy-policy/>

You will **not** be able to register on the day of the photo shoot or beyond. Parents / Guardians who do not register will receive a manual proof slip in due course.

Please don't miss this opportunity for a seamless photo day experience. Pre-register today!

Thank you for your cooperation and support.

Warm regards,

Whingate Primary School
